The Complaints Process

Bancroft Medical Centre

Bancroft
Medical Centre

Talk to us

Every patient has the right to make a complaint about the treatment or care they have received at this practice. We understand that we may not always get everything right and, by telling us about the problem you have encountered, we will be able to improve our services and patient experience.

Who to talk to

Most complaints can be resolved at a local level. Please speak to a member of staff if you have a concern and they will assist you where possible.

How can I make a complaint?

A complaint can be made verbally or in writing, by letter or email. A complaints form is available from reception. The PHSO guidance may be followed when producing a letter using AI tools.

If a data complaint, you may also complain to the ICO should you be dissatisfied with the initial response. The ICO provides guidance for complaining about a data breach.

I want to complain to a third-party

If for any reason you do not want to speak to a member of our staff, then you can request that the Integrated Care Board (ICB) investigates your complaint.

They will contact us on your behalf:

Central East ICB Patient Experience team
Address: Central East ICB, Gemini House, Bartholomew's Walk, Cambridgeshire Business Park, Angel Drove, Ely CB7 4EA
Tel: 0800 148 8890
e-mail: ceicb.contactus@nhs.net

If a data complaint, you may complain directly to the Information Commissioner's Office about a data breach.

Time frames for complaints

The time constraint on bringing a complaint is 12 months from the occurrence giving rise to the complaint, or 12 months from the time you become aware of the matter about which you wish to complain.

A member from our complaints team, will respond to within three business days to acknowledge your complaint. We will aim to investigate and provide you with the findings as soon as we can and will provide regular updates regarding the investigation of your complaint.

Investigating complaints

We will investigate all complaints effectively and in conjunction with extant legislation and guidance. Lengthy, or complex complaints will, by nature take longer to respond to.

Confidentiality

We will ensure that all complaints are investigated with the utmost confidentiality and that any documents are held separately from the patient's healthcare record.

Third party complaints

We allow third parties to make a complaint on behalf of a patient. The patient must provide consent for them to do so. A third-party patient complaint form is available from reception.

Final response

We will issue a final formal response to all complainants which will provide full details and the outcome of the complaint. We will liaise with you about the progress of any complaint.
